**THE THOUSAND DOLLARS
NOT YET THREATENED.**

PEOPLE ARE SLOW IN CALLING

COMMODORE BURGUYNE'S

BLUFF FOR CITY STREETS.

Nary a peep from anyone since Billy Peters coughed up the hundred to keep company with Commodore Burgoyne's thousand for city streets. At least, if any peeping, chirping or cackling has been done the noise has not been loud enough for the Daily News to hear it.

Just bear in mind that \$3,900 more must be raised by the time the Daily News goes to press December 31.

If you have been thinking of chipping in a hundred just write out a check and mail it to the Daily News N O W. If the full amount is not raised your check will be returned. If you only feel like putting in a ten spot send it along.

**NEW TRANSPORTATION LINE
TO BE ESTABLISHED SOON.**

McCOY BROTHERS WILL RUN

BOATS FROM ST. AUGUSTINE

TO PALM BEACH.

Beginning on January 3rd, a line of steamers connecting St. Augustine, Daytona and other East Coast points as far down as Palm Beach will be inaugurated according to an announcement just made by McCoy Bros. The new line is to be known as the Indian River Line and will provide a new attraction for visitors to the East Coast.

Two steamers have been built by the firm especially for the run up and down the coast by way of the canal. They are over sixty feet in length and will be most comfortably fitted throughout. The innovation will no doubt meet with success as it will provide a delightful outing by water to East Coast points.

The line is inaugurated with the especial idea of giving those who wish to see the East Coast a slow trip down the coast so as to enjoy the scenery and also hunting and fishing parties. The schedule is arranged with this idea in view.

The steamer Republic will leave St. Augustine at 8 o'clock in the morning on Mondays, Wednesdays and Fridays and returning will leave at the same hour for St. Augustine on Tuesdays, Thursdays and Saturdays. The steamer Constitution will ply between Daytona and Palm Beach, connecting with the Republic on Mondays.

Among the points at which the boat will stop when desired are Ormond, Port Orange, Ponce Park, New Smyrna, El Dora, Allenhurst, Titusville, Cocoa, Merritts, Indianola, Eau Gallie, Melbourne, Jensen and Walton. The company also plans to operate excursions to Summerhaven and other points from time to time.

**TIME TO WAKE UP IF
YOU WANT GOOD ROADS.**

TWO MORE CONTRIBUTIONS AD-

DED TO THE THOUSAND DOL-

LAR CHECK OF COMMODORE

BURGUYNE.

From Friday's Daily:

Two more contributions were added to the City Good Roads Fund this morning. This makes but three contributions amounting in all to \$225 thus far, to raise the necessary \$4000 necessary to "copper" Commodore C. G. Burgoyne's check for \$1000, which is in the hands of the Daily News awaiting to be cashed and spent for good streets, providing \$4,000 be raised by private subscriptions by the time the Daily News goes to press December 31.

The contributions thus far handed in to the Daily News are as follows: Commodore Burgoyne.....1,000.00
W. H. Peters.....100.00
Merchant Bank.....100.00
Daytona Daily News.....25.00

There is still ample time to raise the necessary amount but the Christmas spirit must awaken to do it.

**HOWE'S LONDON SHOWS
MADE GOOD IN THIS CITY.**

MADE EXCELLENT STREET PARADE AND GAVE FINE EXHIBITIONS BOTH MORNING AND EVENING.

Howe's Great London Shows gave two fine exhibitions in this city Wednesday.

The show was well attended in the afternoon and, notwithstanding the fact that the night was unusually cold for this section, the evening performance was even more largely attended.

The attractive parade of the forenoon had helped to awaken interest and put confidence in the ability of the show to deliver the goods, which they certainly did at both performances.

The performing elephants and other trained animals are exceptionally good. The riding and trapeze performances were above the average, while the acrobatic and tight wire stunts were simply immense. The little Jap tumblers and contortionists formed a pleasing feature and there were numberless funny acts besides by the big band of clowns. The show was well conducted and orderly. They give exhibitions at St. Augustine today and at Jacksonville Friday and Saturday, which closes their road work for the season. They will make Jacksonville headquarters for the winter.

The couple first met while visiting in Daytona two years ago.

Cyrus Wigle, of Ormond, was a Daytona visitor Thursday afternoon.

HOLLY HILL

NO REASON FOR IT.

When Daytona Citizens Show the Certain Way out.

There can be no just reason why any reader of this will continue to suffer the tortures of an aching back, the annoyance of urinary disorders, the dangers of diabetes, of any kidney ills, when relief is so near at hand and the most positive proof given that they can be cured. Read what a Daytona citizen says:

Mrs. C. H. Pellicier, Volusia Ave., Daytona, Fla., says: "I have been greatly benefited by Doan's Kidney Pills and do not hesitate to say so publicly. I had dull backache, pains across my loins, could not rest at night, and mornings would get up all worn out with but little strength. To say that I was miserable, feebly expresses my condition, in fact I was so bad at times that I could hardly get around to attend to my household duties. A neighbor, who had used Doan's Kidney Pills for like troubles, recommended them to me and I procured a box at Hankins' drug store. I used this and the contents of another box and I am certain that they benefited me more than anything else I had ever tried. My strength and energy returned, the backache ceased and the kidney secretions were once more restored to a natural condition. You are welcome to the use of this statement, as it may be the means of bringing relief to some other sufferer of kidney trouble." 6
